Positive Approach to Care Philosophy

This philosophy is the foundation for the workshops you will provide as a Positive Approach to Care® Certified Independent Trainer

PAC Mission:

Use our talents and abilities to develop awareness, spread knowledge, and teach skills to transform what exists into a more positive dementia care culture

PAC Vision Statement:

Positive Approach to Care® enhances the life and relationships of those living with brain change by fostering an inclusive, universal community.

We look forward to partnering with you on behalf of those living with dementia. In the meantime, if you have further questions regarding training logistics, please contact your PAC Mentor.

Thank you so much for your desire to learn and your commitment to making a positive difference!

PAC Mentors:

Within each Certification course, you will be paired with a highly qualified PAC Mentor who will take you through the Certification process. If you prefer to be paired with a specific PAC Mentor, you will be asked for preferences while you are on the course.

Next Steps: Earning Your Certification

A PAC Certified Independent Trainer displays:

- Knowledge of dementia, its symptoms, and of GEMS® States
- Knowledge of techniques to be used to optimize care for those with dementia
- Ability to use the Adult Experiential Learning Model
- Ability to use Positive Physical Approach™ and Hand-under-Hand®
- Belief that people with dementia are doing the best they can
- Belief that caregivers are responsible for changing their behavior to improve the care of people with dementia
- Belief that learners are to be involved in learning during and after sessions
- Organizational skills in preparing for the session
- Enthusiasm for content and teaching during session
- Application of the Adult Experiential Learning Cycle (AELC) in their workshop video

In addition to the training curriculum and classroom training, you are required to complete the following steps to earn your PAC Trainer Certification. You will work with a PAC Mentor to complete the process.

Please note the steps below required to complete your Certification:

- Pre-course work – videos and quiz
- Attend the course
 - **Learn new PAC content or new ways to deliver the content that you know**
 - **Drill your skills with PAC Mentor coaching and feedback**
- Work with your PAC Mentor to review your
 - **Workshop Planning Guide**
 - **Adult Experiential Learning Cycle**
 - **Multiple Intelligences and Personality Traits**
 - **PAC Skills Practice**
- Facilitate one workshop using the **Workshop A: Normal Aging/ Not Normal Aging** outline
- Submit a 20-minute recorded segment of the workshop to be reviewed with your PAC Mentor
- Submit at least 3 surveys from your first workshop
- Schedule and complete calls with your PAC Mentor to discuss your session and the criteria scale

All Certification steps must be successfully completed within 12 weeks of completion of the course in order to become a PAC Certified Independent Trainer.

****In the case that there needs to be an extension beyond twelve weeks, there will also be a required Mentor session fee of \$75/hour. For details about the requirements for Certification, please see Tab 1.**
